

# BESPOKE SKIPS & CONTAINERS

## Product Specifications

**Application:** General / Commercial / Industrial / Recycling

Pictured are some of our examples of bespoke containers

Waste management is becoming more complicated with new government legislation requiring more and more waste products to be recycled.

GJF Fabrications are aware of this need and are happy to assist customers in the manufacture and supply of "special" skips or containers to meet their exact requirements.

Please take a look at our gallery to see a small range of the containers we have manufactured to solve customers waste issues.

All our bespoke containers are built to the usual high standards of quality and finish given to all of our range of products and includes the following:

- **GJF Asset No** - Unique number welded inside tipping bar to assist traceability
- **Painting** - One coat primer plus two coats of enamel paint (in colour(s) of your choice)

### **Options:**

- Custom painting requirements
- Welded customers identification marks
- Laser cut identification plates
- Vinyl graphic sign writing
